

## Understanding your Life Journey

/// Karyl's lifelong study of our "being" has led her to a unique awareness of a place known as the **World Inbetween**. It is the well-spring of her intuition.

/// The clarity of her vision, awareness and her open heart enables her to receive profound information from the **Hall of Records**. This intuitive information distinctive to Karyl adds an incredible degree of "knowing" to her **Life Readings**.

/// The information received from the **World Inbetween** sets her readings apart from the ordinary interpretations of astrology and numerology and provides the wonderful benefit of profound information of our **Life Journey** as seen from the **World Inbetween**.

/// Karyl's intuitive ability to access, understand and interpret information about one's **Life Journey** adds a completeness that gives individual's positive answers about their **Life**. This intuitive gift opens up information about past lives and how they impact the present and future, which creates a whole picture of the **Life Journey** as shown in the **Life Books** in the **Hall of Records**

## The Window of the World Inbetween

/// Walking out of the **Sea of Humanity**, upon the shore of the **World Inbetween**, knowledge about our **Life** and about the current events within this time are available. The **Hall of Records** houses the **Elder Librarians** and our **Life Books**. Accessing this information provides complete understanding about our **Life Journey**.

/// The **Light-Table** that is upon the shore of the **World Inbetween** portrays the current events and patterns of change and transition affecting humanity. All is visible from this place.

/// The **World Inbetween** provides a place for those who have chosen to be of service to humanity. Those of service are in this world and some are from the **Other World**, yet the **World Inbetween** allows both to exist and work together for a common purpose. Ultimately those who walk the shores of the **World Inbetween** have access to the information that is of great service to the individual about their **Life Journey** and this time in **Humanity**.

## What is a Life Reading?

/// A **Life Reading** looks through the window of the astrology and numerology charts and is combined with Karyl's intuitive information from the **World Inbetween**.

/// The individual **Soul** defines the interpretation and the description of both the astrology and numerology charts. Looking directly at the **Soul**, the **Divine** purpose and destiny of the **Life Journey** can be seen.

/// A **Life Reading** not only gives us insight about our purpose and destiny of our **Life Journey**, but provides a clearer perspective of our path. Using the current time frame in conjunction with the current celestial events of the outside world, Karyl provides a complete and accurate interpretation of where we are on our **Life Journey**.

/// Looking through the window of the astrology and numerology charts, in-depth insight about the **Soul**, our **Divine** purpose, our **Life Journey**, and Karyl's intuitive information from the **World Inbetween**, a complete **Life Reading** is given.

/// Karyl Jackson has provided hundreds of people valuable information for more than 25 years through her **Life Readings**.

/// Karyl's **Life Readings** give you essential information about your current life situations, major transitions, life purpose and information about important loved ones, in this world and on the Other Side.

/// Karyl has written and published the **Alpha Life Trends newsletter** for 25 years, with subscriptions in throughout the United States and in several foreign countries.

/// Karyl Jackson has pioneered new techniques which blend numerology and astrology into a process of mapping out our **Life Journey**. Providing insight into our Divine purpose and the current and future themes, her **Alpha Life Trends workbook** is the first of its kind using this innovative approach to chart out our **Life Journey**.
